All overseas competitors MUST possess a 2018 Competition license issued by their country's ASN or present a letter from their country of residence ASN granting them permission to compete.

Rookie drivers shall place a black triangle (no less than ½" thick lines) on the rear of their cars, in a prominent position. **Drivers who have never completed 3 races in one calendar year shall be considered rookies.**

REGISTRATION & BRIEFING

Competitors & Race Officials: Tuesday May 8th, 2018 @ 6:30 p.m. Location to be determined.

Mandatory Competitors Briefings will commence at 12 noon on Saturday May 12th. **Failure to attend this mandatory Competitors Briefing and sign the attendance sheet shall result in the deduction of five (5) Championship Point and or one grid place for CMRC classes ONLY.**

TECHNICAL INSPECTION

Pre-event Technical Inspection for competitors will take place from May 8th to 11th islandwide. Each competitor will be contacted by the Chief Scrutineer to confirm the date and time at which their vehicle will be inspected. The Scrutineer shall check for mandatory safety equipment, vehicle safety, mechanical compliance to classifications (where possible), and required sponsors decals and logos.

Technical Inspection will take place on Saturday May 12th for vehicles which were not inspected during May 8th to 11th. – All cars & bikes must be inspected before practice on Saturday May 12, 2018.

Post-race and qualifying technical inspection shall take place immediately after each session. The first, second and third placed cars in ALL CLASSES shall proceed DIRECTLY to the scale area to be weighed, and checked for the necessary decals and logos. Failure to do so may result in disqualification, at the discretion of the Clerk of the Course. The onus is on the competitor to present his car promptly for weighing. A random weighing and inspection of other race cars competing may be ordered by the scrutineer after any track session. A crewmember from each team should remain with the car while it is in the scrutineering / scale area.

IMPROVED PRODUCTION CLASSES (IP 27, IP 32, IP 35)

All competitors shall participate in the qualifying session to be held before the first race of the day. At the end of the qualifying session, the Clerk of the Course will meet with the Improved Production Class competitors to determine the Time Brackets that will be used. The process will entail a review of all competitors' qualifying times and then voting on the Time Brackets that will be used.

STARTING PROCEDURES FOR CARS

CMRC Groups 1 and 2 will utilize standing starts.

CMRC Groups 3, 4 and 5 and all JRDC races will utilize rolling starts.

GRIDDING PROCEDURES FOR CARS

Races will be gridded as per finishes with no Class separation. Therefore, Race 1 is as per qualifying, Race 2 is per Race 1 finish and Race 3 is as per Race 2 finish.

OFFICIAL SCALES

The Official Scales shall be available to all competitors during the event except for when post-race technical inspection is being conducted. The onus is on the competitors to have their cars at the proper weight.

OFFICIAL NOTICE BOARDS

The Official Notice Board is located at the **base of the drag tower, in the pit by the containers** and in the **paddock area at Bay #1**.
